

GREENHORN CREEK OPEN WITH LIMITATIONS

Dear Friends:

Our thoughts and well wishes continue to go out to all those effected by the COVID-19 virus. In response to Governor Newsome's shelter in place policy to control the spread of this virus, we are adjusting our operations to comply with this order. The governor's restrictions include all non-essential travel, but it does allow for restaurants to operate with to go service and allows for people to exercise outdoors while maintaining all the necessary precautions from the CDC and WHO. In addition, on March 20, 2020, Dr. Peter Beilenson, Sacramento County Health Director, designated golf as an essential service to the community. As such, the following is the current update for our resort operations and all facilities:
